## MARIGOLDS ROCKIN' THE BICENTENNIAL

This year, we are cranking up the volume to celebrate Pekin's 200th Birthday with a rockin' party designed for everyone to enjoy. In the year of the Dragon, 2024 has been a testament to our town's rich history, present energy, and promising future. I am honored to serve as this specific year's chairwoman and am so proud of the hard work the planning committee has put into making this festival unforgettable.

What amps me up about the Marigold Festival is its power to bring together 40,000 people together in support of our community. Every food vendor represents a local non-profit (so spend your money like calories don't count!), every craft vendor is a local homemade shop, and every sponsor is vital to making this festival possible. The sponsors are the backbone of our community, so please show your support by visiting their businesses and thanking them for their contributions. This festival is simply all about the community, and I couldn't be prouder of it.

As we commemorate our Bicentennial, we've revived some beloved traditions and are continuing to keep things fresh with new additions.

### PAST: HONORING OUR HISTORY

As we look back at 200 years of Pekin's vibrant history, celebrating the milestones that have shaped our town. From our founding riffs to the traditions that have stood the test of time, we honor the legacy of those who built Pekin.

### PRESENT: CELEBRATING TODAY

Today, the Marigold Festival brings our community together like never before. I can't wait to see you sink or float at the Cardboard Boat Races, shoot hoops at the 3-on-3 Basketball Tournament, groove to Pekin's music scene at Bicentennial Dragon Jam featuring songs recorded at Golden Voices Studio, and witness Iron Pro Professional Wrestlers that are as tough as the mighty marigold. Our festival is a vibrant testament to the unity and spirit of our town.

### FUTURE: ENVISIONING TOMORROW

Looking forward, we're excited about the new performing arts venue the community recently added to our cherished parks. This venue promises to enrich our cultural landscape for decades, thanks to everyone who helped make it a reality. We envision a future where Pekin continues to thrive, innovate, and grow.

For many of us, the weekend after Labor Day is the most wonderful time of the year. This bicentennial makes it extra special. On behalf of the festival committee, I hope you have a rockin' Marigold Festival. Let's honor the past, celebrate today, and look forward to an amazing future. Enjoy the festivities! 🎸

## MARIGOLD FESTIVAL HISTORY

SENATOR EVERETT MCKINLEY DIRKSEN

In 1972, a group of Pekin residents, including Ralph Brower, Mark Heine, Lee Williams, and Tom Hallett, gathered to discuss their collective vision for a local festival. The residents, each active members within the community, envisioned a series of festivities with intentions of honoring both Senator Everett McKinley Dirksen and Pekin's thriving community.

Senator Dirksen holds a special place in the hearts of Pekin residents as a treasured representative. His time in office was highlighted by his efforts to name the marigold the national floral emblem. In Senator Dirksen's honor, the festival was named after his favorite flower.

Just a year after preparations began, the first Pekin Marigold Festival was held in 1973. The festival, a ten day event, featured a fine arts show and a craft show, spread throughout the entire city of Pekin. In the weeks leading up to the festival, Pekin residents were encouraged by the Festival Committee to plant marigolds so that by the time the festival came in late August that year, the city was in full bloom.

Since 1973, the Pekin Marigold Festival has continued to thrive and evolve into a fun-filled event for all ages. But the mission of the festival, honoring Senator Dirksen and celebrating our wonderful community, has not been lost.

## MARIGOLD FESTIVAL GRAND MARSHAL

GARY GILLIS

The Pekin Marigold Festival Committee of the Pekin Area Chamber of Commerce is pleased to announce Gary Gillis as the 2024 Pekin Marigold Festival Grand Marshal.

Gary is a long time Pekin resident and loves to be involved in the community. Mr. Gillis has served as a leader in a variety of ways, including the following boards and committees: United Way of Pekin, Build Pekin, Good Shepherd Lutheran School, Tazewell County Unit of the American Cancer Society Board (as chair for two years), Pekin Civic Center Authority, Prison Fact-Finding Committee (as chair), Trinity Lutheran Church (one year as chair, several years on finance), Pekin Main Street (one year as president), and the Pekin Marigold Festival Committee from 1981-2017 (serving as chair for three years). Additionally, he has volunteered as an advisor for two local investment clubs.

Gary enhances our community by presenting classes, lectures, and seminars for the YWCA, Pekin Public Library, Pekin Community High School, and Tazewell County Farm Bureau. Furthermore, he presents programs to residents of Cedarhurst of Pekin several times a year, as well as for other organizations.

Gary is a dedicated member of the Pekin Rotary Club. Shortly after moving to Pekin, he served as president from 1987 to 1988 and again from 2015 to 2016.

### GARY GILLIS

He co-chaired the Rotary Silent Auction for decades. He is a Paul Harris Fellow and presently serves as the president of its charitable foundation, Pekin Rotary Charities.

Gary has also been a Pekin Park District Commissioner since 1993, serving as board president three times. He has been the Park 4-H Representative, Special

Recreation President of IRVSRA, and Park Recreation Chairman. He helped pioneer the creation of the Pekin Park District Foundation, where he served one year as president. He chaired Pekin Park's 100th Anniversary Celebration in 2002. He envisioned a pergola in Mineral Springs Park for years, which finally came to fruition.

Gary's commitment to parks extends beyond the Pekin community. He has served on the IPARKS Board since 2017, acting as chairman in 2018 and 2020. He also serves on the Illinois Association of Park District Board of Trustees since 2018, currently as Vice Chairman.

Gary serves on the Pekin Public Library Board as treasurer and as the treasurer of the Dirksen Congressional Research Center. Additionally, he volunteers at the Pekin Outreach Initiative and hosts an annual Pekin History Bicycle Ride for the Pekin Park District.

Most recently, Gary can be found co-chairing the Pekin Bicentennial Commission and keeping the community up to date on all the latest happenings by hosting Pekin's podcast, "What's the Story, Pekin?"

Gary is gearing up for his 36th year as "The Cluemeister" of the Marigold Medallion Hunt.

**PLEASE JOIN THE FESTIVAL COMMITTEE IN  
CONGRATULATING GARY GILLIS AS THE 2024 FESTIVAL  
GRAND MARSHAL**

# 3 ON 3 BASKETBALL

“The biggest benefit from the wind farm is the support that we get for our community—support for our education systems and for our town growth, to better our fire department, town infrastructure, and our roads.”

—Chris B., Illinois Farmer and EDPR Project Landowner

Since becoming operational in 2009, **Rail Splitter I Wind Farm has contributed more than \$11.4 million to local governments.**

The second phase of Rail Splitter Wind Farm will contribute **more than \$31 million in additional funding** to the local government over the project's 30-year life.

Interested in hearing about fellow Illinoisans' experiences with EDPR? Scan the QR code with your phone's camera to visit our YouTube page.

### WHAT WE DO

Wipak manufactures and distributes high-quality flexible packaging materials and innovative packaging machines. Our products are used primarily for the protection of perishable foods, beverages, and in health care applications. Wipak is part of a global packaging group with ten manufacturing facilities in North America. Our Pekin, IL location has over 200 employees!

### WINPAK & YOU

At Wipak, we incorporate sustainability initiatives into everything we do—from our operations process to the product materials we use. We view our employees as our most valuable assets and provide attractive working conditions with exciting potential for career growth. Innovation is integral to our success and we need the best on our team to continue to excel in our achievements.

## College Tuition for McDonald's employees

Did you know McDonald's employees can receive up to \$3,000 per year towards college tuition. With a job at a McDonald's restaurant, employees get the help they need for the future they want. Eligible restaurant employees can get up to \$2,500 (\$3,000 for managers) a year in tuition assistance at any accredited four year university, community college or trade school in the U.S. Eligibility begins at 90 days of employment, working an average of 15 hours per week and being in good standing. In addition to the Tuition Assistance, McDonald's college partners are an additional educational resource and can

offer discounted tuition rates and other benefits. Some schools recognize McDonald's management training for college credit.

## Pekin raised over \$16,000 for RMHC

In 2024 so far, the Pekin community has raised over \$16,000 for Ronald McDonald House Charities of Central Illinois! Customers donated over \$12,000 through the Give a Little Love campaign at Pekin McDonald's in February and March with 1013 N. Court street receiving over \$8,000 in donations! The Round Up program in 2024 has already received more than \$4,000 from customers rounding up their total at our 3 Pekin locations.

Ronald McDonald House Charities of Central Illinois provides a supportive place for families to stay while their child is receiving medical care in Peoria hospitals. The Peoria RMH is about 40,000 sq. ft and four stories tall; located at the corner of Spalding Avenue and NE Monroe Street. The Peoria RMH has a total of 22 mini-suites available and the second floor of the Peoria House is home to the "The Dax Wing" and open to pediatric cancer patients. Although McDonald's is RMHC's largest corporate donor, no company can solely fund RMHCCI programs. They continue to need the support of the entire community and greatly value any support provided to RMHCCI, whether it's through donations, your time or other fundraising efforts. Thank you to

the Pekin community for continuing to raise thousands each year for this charity. You really are making a difference in the lives of sick children and their families!

[www.rmhc-centralillinois.org](http://www.rmhc-centralillinois.org)

Alto Ingredients, Inc. (NASDAQ: ALTO) is a leading manufacturer, supplier, and distributor of specialty alcohols and essential ingredients, and the largest producer of specialty alcohols in the United States. These alcohol products are used in food, beverage, pharmaceutical, dietary supplement, and cosmetic products, in addition to industrial and renewable fuel. ALTO produces and markets essential ingredients including Alto Yeast, corn gluten meal, corn germ, corn oil, distiller grains, and CO<sub>2</sub>, offering consistent product quality, managing logistics, and providing reliable service and delivery.

# THE PEKIN MARIGOLD MEDALLION HUNT

GRAND PRIZE: **\$1,500 CASH**

**“A COMMUNITY OBSESSION”**

**CLUE UPDATES:  
346-HUNT | FACEBOOK AT PEKIN MARIGOLD FESTIVAL**

Since 1978, The Marigold Medallion Hunt has transformed Pekin’s public spaces into a treasure map, and Pekin residents into amateur detectives. For years, friends and families have set out to outsmart the Medallion Cluemaster and uncover the Medallion’s hidden location!

The hunt for the small disc, hidden in a public location in Pekin, begins the Monday before Labor Day and continues until the medallion has been found. Clues filled with riddles and double-meanings are crafted by the Cluemaster and released daily, Monday through Friday at 12pm and Saturday at 6:30am.

Clues can be found on the Pekin Marigold Festival Facebook Page. If the medallion has not been found, clues will continue to be issued at 6:30am on Labor Day, and at 12pm each day following until someone wins.

Everyone is encouraged to participate in the search! Buddy-up or go solo to discover the medallion and win a **\$1,500** cash prize, courtesy of our friends at Jimmy John’s.

**Good Luck and Happy Hunting!**

**SPONSORED BY**

2024 PEKIN MARIGOLD MEDALLION DESIGNED AND CREATED BY **DANA SNYDER**

THE OFFICIAL DISCLAIMER FOR THE 2024 PEKIN MARIGOLD MEDALLION HUNT

Changes have been made due to the unintended destruction of property in recent years. Please be attentive and protective of all property.

The Pekin Marigold Medallion WILL be found on PUBLIC property—either within or contiguous to city boundaries, or property owned by a Pekin public body.

It is NOT hidden in any seasonal plantings or landscaping in Mineral Springs Park or elsewhere, on any golf course, inside the PCHS stadium’s fenced area, inside the DragonLand fenced area, inside any school facility, or on the property of the Pekin Archery Range or the UAW High rise. While it might be hidden on school property, it will not be hidden in shrubs, bushes, or plantings immediately against the schools. The Medallion is NOT hidden within the landscaping at the Pekin Public Library or in close proximity to the Pekin Federal Prison’s perimeter fence.

Hunters do not need to dig up or climb up to find the Medallion. It may be carefully camouflaged or hidden within something easily accessible and not requiring disassembly. The chosen hiding place is always selected with safety and accessibility given the highest consideration.

Finally, be on the watch for Poison Ivy and Poison Oak, and PLEASE, be respectful of others’ property as well as your fellow hunters.
